2012 Cellar Door Experience Program

1.30 pm	**Alternative Styles** – Try unique wine styles that are emerging in SA such as Vermentino, Marsanne, Tempranillo & Sangiovese.
2.30 pm	**Wine & Cheese -** Hard and soft cheese with red and white wines
3.30 pm	**Taste of Barossa –** Barossa fine meat goods with red and white wines
4.30 pm	**Crusty Bread & Wine -** with dukha & olive oil paired with red & white wines
5.30 pm	**Varietal Comparison –** taste 4 wines from 2 regions and discuss the regional and varietal differences.
6.30 pm	**Blind Tasting Game** – Guess the price point, variety, region and vintage of popular SA wines. It's a fun way to test your sensory evaluation skills!

Wines will be allocated to sessions once all nominations are received. Please note that your session preference will be given consideration but cannot be guaranteed.

Thank you once again for your support of the Cellar Door Experience. Presenting your 'excellent varietal and regional examples' will also provide you with an opportunity to increase brand awareness to groups of enthusiastic participants. Your wine, without a doubt, contributes to consumers drinking more South Australian wine and an increasingly adventurous range of wines with confidence!
